Get in touch with us, tell us what you need and together we will come up with the best solutions for you or your business.

OUR SERVICES

ACCOUNTING

We prepare the accounts and support our clients in tax planning, taking into account the evolution recorded in each one's activity and the results obtained monthly and annually, in order to facilitate compliance with the tax obligations that are necessary and vital for business survival.

CONSULTING AND TAX ADVISORY

As a result of the growing importance of managing the tax burden in companies, we specialize in this area, bringing enormous added value to our clients by ensuring tax optimization in the management team's decision-making.

CONSULTING AND MANAGEMENT CONTROL

The role of management these days is crucial in the development of your business. Consulting is an extremely useful service, when used on a one-off basis by companies, in order to capture the know-how of specialized employees to solve structural problems in companies.

COMPANY INCORPORATION

In Portugal, the incorporation of a commercial company is subject to three main actions: the choice of the corporate name, the drafting of the statutes and incorporation of the company and registration at the Commercial Registry Office.

HUMAN RESOURCES

The Human Resources area is essential within companies, since a malfunction in this area can lead to dissatisfaction of the companies' human assets and, therefore, a drop in productivity, as well as non-compliance with legal obligations, with the consequent implications in terms of fines and fines.

IMMIGRATION

Temporary company headquarters and support for natural persons and self-employed workers. Visas/work permits, temporary and/or permanent residence. Worldwide coordinated immigration policy. Assistance with the entry permit for foreign investors (Golden Visa) and Assistance with personalized
